### **Ocean Pearl Manicure & Pedicure**

Added focus is placed on skincare following all of your nail care needs. A hydrating moisturizer soothes your skin followed by a hand massage, buff-shine or polish of your choice. Soothe your toes with a delicate foot bath followed by all of your basic nail care needs. A light exfoliation of your lower legs and feet along with a brief callus treatment allows for a deeper hydration. A heated massage candle with scent of choice is used during the foot massage. Complete your service with a buff-shine or polish of choice.
